Trial is set to commence in this case on January 7, 2013.

The last status conference in this matter occurred on April 24, 2012. Docket, # 230. At the time of that hearing, trial was scheduled to commence on June 4, 2012. Docket, # 210. Counsel for Ms. Devers represented to the Court that his client was seriously ill, and could not proceed to trial as scheduled. The Court then set the currently pending trial date.

The government has no cause to doubt the representations made regarding the defendant's health and has been provided with evidence relating to her condition. However, there exists a lack of clarity regarding how the defendant wishes to proceed. She has yet to enter

1 a plea, and she previously maintained she was too ill to proceed to
2 trial. The government requests that this matter be set for a status
3 conference to address the status of the case against Ms. Devers.
4 The government requests that the status conference be set for
5 Tuesday, November 13, 2012, and that the defendant be ordered to
6 appear in person at that hearing. Counsel for Ms. Devers has been
7 informed of this request and has stated that November 13 is an
8 acceptable date.
